“ *Liz was a special person. Did not have the pleasure of knowing her in our very youngest years but got to know her through our mutual friend, Lee Wana (Bariola) Keck. Guess we must have been in high school or a short time later after she and Dickie were married. I also shared Mary Ann's Tulsa connection, as we all lived there at the same time. In later years I tried to have lunch and reconnect when I was in town. Sometimes i would drop by her house, or we would meet somewhere for a long lunch and a serious gab-fest. She was always so positive in spite of all her physical ailment. May she rest in God's peace and hold her daughter in her arms again. Hope all the fond memories of her life of caring will comfort her entire family. Blessing,
Bernice (Ardemagni) McCauley*

“ *I loved Liz so much. We were friends for so many years. I remember what she was wearing and where we were when we first met. I t was at Springdale School. She was wearing a blue crinkled nylon blouse and a red skirt . She was always so sweet and so friendly. When she and Dickie moved to Tulsa, we didn't live very far from each other and continued our friendship through the birth of our children and each of us through the loss of a child. I was heartsick when I heard of her death . My thoughts and prayers go out to her children, Grandchildren, and Dickie.*

“ I have such wonderful memories of Lizabeth. She was always selected as the little "angel" in our Christmas shows in grade school, because she was the prettiest little girl in our school. She was beautiful inside & out. I know she is in a beautiful place now & has that same sweet smile. Rest in peace Lizabeth.....we love you.

“ I always thought Libby was the most beautiful girl in the world! She was so much fun to be with. I remember she always drove fast on the road to her parents' house so I would get a thrill when we went over the bump. I'm sure that was the only reason she would speed! I loved Libby dearly and wish to express my deepest condolences to her family.
