“ Dad loved to kid around. I'll always remember him telling about he was the one who had introduced me to Danny. Dad, I will miss you so very much. You were the best father in law anyone could ever have. We both love you so very much. Thank you for everything you did for us. I remember telling Danny one time that he is just like you, and Adam is just like Danny. And that was the biggest compliment anyone could ever be given to anyone.
