

Lloyd Helen Ponomar

October 10, 1935 - January 23, 2020

Lloyd Ponomar, 84, passed away at Washington Regional Medical Center, Fayetteville, AR, on January 23, 2020. She was the beloved wife of Ralph Ponomar, much loved mom of daughters, Terry Ponomar and Sandra Ponomar, and son, Kyle Ponomar. Lloyd was “Grammy” to eight grandchildren Angela (Brad) Jackson, Andrew Fulwider, Aaron Fulwider, Amber Ponomar, Zoe Keller, Fu Xin Keller, Dylan Ponomar, and Summer Ponomar. She was also great grandmother to Alex Jackson, and Michael Keller. A number treasured children also had the pleasure of calling her “Grammy.”

Lloyd cherished family above all, but coming in a close second was her appreciation of a great bargain whether at the grocery store, at a yard sale, or at the mall. She was a superb online mahjong player, and completed hundreds of the most difficult crossword puzzles with ease. She loved a friendly game of Bridge, and was a cutthroat pinocle player in her youth. Lloyd did not enjoy fishing. She could, however, transform Ralph’s catch of panfish, walleye, or trout into a tasty dinner.

She learned to go trout fishing after moving to Arkansas ...a retirement activity she could share with husband Ralph. Although it was not her favorite, she fished with skill and tenacity. When sharing time with someone you love, the pastime isn’t always that important.

For years, Lloyd volunteered at Northwest Medical Center in Springdale, and made many dear friends during those years of service.

Her 84 years of life touched family, extended family, and friends in the Chicago area, and Northwest Arkansas. She will be missed and remembered by many people.

Services for Lloyd will be privately held for family.

Donations to Lifestyles College for Living, Fayetteville, AR, in Lloyd’s name would be meaningful and appreciated.

No services are planned.

Online condolences may be left at www.siscofuneral.com
