“ *If anyone has been ready for this day it was Ms. Margaret. She will never know just how much she meant to me and impacted my life. I know she will be rootin on the Razorbacks and Cowboys from a much better place. I love you Ms. Margaret and I will miss you terribly.*

“ #1 and I loved talking about anything. Work, life, food, sports...especially football and whatever else came to mind. She called me #2, which is what she called my mom since I am the 2nd grandchild and my mom, Linda was her 2nd child. We'd share our complaints about the Cowboys and the Bears but with each new season we had fresh hope that maybe just maybe that would be the year! Alas, still waiting...but with every new football season, I will keep the hope alive that one of our teams makes it to the big show. Go Bears...GO BOYS!!!! I love you, #1!!! I hope you and the original #2, my mom Linda, are having a blast up there!!! Thank you for being my Grandma!

“ Aunt Greta and Uncle Charles and Midge came to visit in 1987 us here in Missouri. Uncle Charles had been very sick for years. He could only eat very little soup and seven up. He is the only person my mom ever let smoke in her house. Lol. I'm glad Aunt Greta gets to be with him again. Even though I miss her

“ I met Ms. Hershey under less than ideal circumstances (she needed a lawyer and came to our office), but I always found her to be very positive, cheerful, and optimistic. She reminded me a great deal of my grandmother, who I lost several years ago, and I was happy to help her as much as I could. She probably thought she was annoying me each time she called with a question, but I truly enjoyed hearing her kind voice every time she called. I am greatly saddened by her passing, and I extend my best wishes of comfort to her family. She was a very special lady, and I'm so grateful that I had the opportunity to know her.
