“ My prayers are with you and your family. I loss my mother in 2004 and you miss them every day. I remember the Clay family when we went to visit my great, great grandparents Jim and Annie Holman and little Jim Holman and they lived on the same street. Also riding the school bus with the clay kids.

“ MJ, I am so sorry for you and your families loss of such a wonderful and sweet lady. I will never forget all the lunches she prepared for us. I think of her often when I drive by her house every day going to and from work. I know she is in a better place with the Lord.
