“ Wayne and girls, and families,
I regret that I couldn't attend Monday's service. I just wanted you all to know how much Kitty meant to me.
I never will forget the time she came to me and said that she was finally allowed to sing tenor in a church choir! (Elmdale Baptist, I think) She was wearing a t-shirt that said, "BUBBA" on it! She was so proud of that shirt, since she had been told by another church choir that she couldn't sit with the tenors and sing tenor in the choir.
I'm sure she is singing with Carol Layman up in heaven, TENOR, by the way, and having a wonderful time, free of pain, free of sorrow, free of anything that would bind her.
Just know, Wayne, girls and families, that she is in a much better place, in her new glorified body, walking everywhere!
I am praying that all of you will find peace and comfort during this time in your lives. Please know that God is holding all of you in His strong, loving arms, and will guide you in the days ahead.

“ Wayne, George and I want to extend our heartfelt sympathy to you and the girls in the passing of your wife and their mother. When I think about Kitty, I have to smile because she always had a smile on her face. She was always upbeat, never wavering in her faith, and she loved her family. God bless you at the time.

“ Aunt Kitty was so precious and wonderful and always had a smile on her face. I remember when I was a little girl, she would sit in the swimming pool at Mammy and Pa's old house on Signal Mountain and talk to me. I'm very blessed to have been able to know her, and I know she is at peace now and watching over us all :)
Praying for Fudd, Becky, Ali & Blair.

“ Our Dear Wayne, Blair, Allison, and Becky,

Kitty was such a beautiful person--and so sure in her faith. She endured with loving patience and unbelievable optimism for so long. Indeed, her smile was our certain blessing every time we saw her.

We know that she inspired you on the long journey and kept your own spirits up. We pray now that a loving God will comfort you in your loss, and that the wonderful moments that you had together will serve to soothe the emptiness that now is left.

Blessings and love to all of you.

“ Dear Fudd, Blair, Ali, Becky & Garths,

Kitty, her faith, & perseverance were inspirational to me & undoubtedly to numerous others. For so many years, she faced her awful disease with God-given courage & a positive attitude. In all the years I knew her, never did she let slip her loving & cheerful disposition & her witty sense of humor. It was always a pleasure to spend time with her & hear her infectious laughter (I've missed it for many years now!). Her failing physical health was not able to deter her sweet spirit & her love for her family & her Savior.

Fudd, you have been the epitome of Ephesians 5:25, faithfully loving Kitty just as Christ loved the church. I'm certain you're taking comfort in knowing that she's with her Lord this very minute, with no more pain or suffering. She's in good Hands, so you can take a well-deserved rest.

My thoughts & prayers are with you all; may God bless & comfort you during this tough time.
