“ *Fond memories of Louise Darin and I were very good friends and we was living at lifestyle together and we became dear friends and they invited me over to spend the night and of course we went to church together. And one time they invited me to spend Easter with them. I remember her being in the choir at cross church to. She will be missed. I am praying for Darin and Shirley and David. Syd Caldwell*

“ *I have lots of memories of Louise. She and my mother were good friends and Louise was fun, funny, and always wanted to be involved with us. My memories are of her wearing toilet paper around her hair at night to keep her hairdo just so, ironing with a glass bottle of water with some sort of spout on it, drying her shower after every shower to keep it shiny, letting me clean her house for money, flirting with my boyfriends when I was in jr. high and high school in a friendly way, substituting in some of my high school classes, being my chaperone along with my mother, when I was the only girl going to the FFA National convention. We had a blast on that trip. I remember her picking Darin up after she got off work because my mom kept him while she worked. Kim and I went on a trip with her and Wendell to Fairfield Bay once, and many many sessions of laying out in the sun to get a tan. Lou always had the best tan. I am positive there are a lot more memories that are not in my mind this minute, but Louise was a part of my upbringing, just like dirt roads, and country living. Pam, Shirley, David, and Darin, I am sorry for your loss and want you to know that I have good memories of all of you too. I will be praying for you as you mourn for Louise.*
