“ We rejoice for Loy, but our hearts are hurting for the kids, grandkids, and everyone who loves him and will miss him so much. He was a very special man to us because my husband (his cousin), was saved during a revival Loy was preaching at Drakes Creek many years ago. What a happy day that was!

We enjoyed visiting with him when we were still having Davis reunions and occasionally running into him and Kay while we were all out and about in town.

I believe his exceptional gift for quoting Scripture was inherited from Granddad Benner Davis who was known as the walking Bible. Both of them, of course, were given this talent by God and would direct all glory to Him and rightly so.

As some of the "youngest" of the older generation, it is certainly heart-breaking to lose our own heroes of the faith as they depart for that better land. In later years, especially after Kay passed away, we didn't see Loy very often, but it was still a joy to know he was around and going about the Lord's work as best he could.

May God bless each and every one of Loy's family and friends and comfort them with the knowledge that, if they know Jesus as their Savior, they will be reunited with him and Kay and so many that have gone on before us. We love you family, even though we don't know most of the younger ones. Keeping all of you in prayer,

Farrell and Diann Davis

“ With heartfelt sympathy we want the family of Loy to know that you're in our thoughts and prayers, not only now but in the days and weeks to come.

For our daughter in law Christy, we want to say: Throughout the years, your Papa has always been a wonderful man. When Christy was small you took the time to bounce her on your knee. As she grew older you were there. She only had to call. She always knew that she could count on you, you'd never let her fall. So many hard times in her life you've helped to get her through. I'm so glad God gave her a papa just like you. We are sorry for your loss because we know how dear he was to you. We love you and want you to know that we are here for you if you need us for anything. Love Mom and Dad Isaac
