“ Don and Bernice were my godparents. Over the years Don and then Kay continued to watch over me. If ever I needed Don, and I called, he was there. Chip and Marty were like an extra set of brothers. Being family doesn't always mean blood relation. . I am so sorry for the families loss, and praying that Don is at peace.

O I loved to tease this man when I would see him at the grocery store. He always had a box of tide in his cart. Don was a good man. He was quiet in spirit but always had a smile. Prayers for Kay and dons family and friends. Bob Lyall is waiting to see you Don Reynolds.
