“ *So sorry to hear of Lu Ann's death. She was my neighbor and someone I've known almost my whole life. Lu Ann was a rare person...someone with the intelligence of a genius, yet socially skilled and compassionate. She could thrill me with her recall of details from 40 plus years ago, and then be on top of all current happenings, including those on our street. I also just want to praise her sisters and everyone who worked so hard to support her independence--your love and dedication to her was without question.*

Sincerely,

Lydia Walker (DeanE and Dallas Walker's daughter--708 Crouch)

I was ready to send some pictures of you all of when you were little. I live in Canada, Alberta. Most Sincerely, your cousin, Willie Etta SEARCY
