“ Aunt Lucille and Uncle Joe many times came to our house when I was growing up and play “Pitch”. It was always the guys against the girls. She and my mom would accuse the guys of cheating, because they did!! I can still hear her laughter when she got tickled about something! They can all gather up there and play that game again. What a great reunion! Love you Aunt Lucille!

“ To the family of Lucille Taldo, I worked with Lucille at Walker Brothers in the late 60s. She was so nice and kind to me and I'll never forget her. She and Joe were so nice to me and my husband and of course Joe loved to tease. They were a special couple to us.
