“ *Dad, I really don't know where to start. I know the past few years have been rough for you. It's finally hitting me that I don't have my old man around. I'm going to miss you more than you will ever know. Enjoy your time with grandma and your brothers. I'm going to miss the phone ringing and you asking " hey if your on this side of town today pick me up as many diet sunkist you can carry, and don't forget a milky-way candybar." I will see you soon . I love you .*
