“ *I was so sad to read about Mrs Curry's passing. She was such a wonderful lady and I will miss her greatly. She was such a classy lady who loved her family dearly. I am very fortunate to have been not only her banker but her friend and I always enjoyed our long visits when she would come into the bank for me to balance her checkbook. We would visit about her daughter and grand daughters whom she loved very much. My life is richer because of my friendship with mrs curry.*

“ *Lea I just want to express my deepest sympathy in the passing of your dear Mother. I last saw her at the heart Dr.'s office sometime late spring early summer of 2012 with one of your daughters. We enjoyed a nice visit while waiting.....(I was there with my mother). You and your daughters are in my thoughts and prayers.*
