“ Danny, we were so hoping to see your Mom just once more...It is so sad that so many things (i.e., Covid, our health, unexpected events, etc...) continued to get in the way. It is our loss, as well as yours. In years past, Madena was always so faithful to extend a welcome to us when we were "up this way", which was never as often as it should have been. Please know we are thinking about all of you, and covering you in prayer.....
