“ *Although I only met this beautiful blessing one time, I watched him
grow through the pictures his Great Aunt Jessica took. She was
always so excited to show him off. To say she was proud of him
would be an understatement. He was one loved little boy!! Please
know that you are all in our thoughts and prayers. -Meredith &

My prayer are with you in this time of need. I lost a 1month an 11 day old baby years ago. I would say it will get better with time an it will evetually. Its been 23 years this year there's not a day that goes by that something don't remind me of him. But just know Jesus needed another angel. An he will always forever be your guardian angel. God bless u an family. I'm grateful now that my baby was the chosen one at the time still miss him every day. But we will meet them again one day.
