

Margy Griffin

June 14, 1915 - February 23, 2008

Margaret (Margy) Loretta Picchiarello Griffin entered into eternal rest on Feb. 23rd, 2008. She was one of 11 children and was born in Dunmore, PA on June 14, 1915. She was raised in Scranton, PA and Brooklyn, New York. Her parents were Fulimano (Frank) and Raffaella (Di Pietro) Picchiarello. In her teens she worked as a professional model, and she and her friends frequented the Roseland Ballroom where she met that handsome young sailor from Arkansas.

She lived her life with a devotion and love for God and a faith that surpassed all understanding. Her strong will and uplifting spirits carried her through the trials and tribulations she endured on Earth. She left this world in absolute peace, and Heaven has gained another angel. A beautiful person inside and out. She was beloved by her family and enriched the lives of many. Her life was a light that has shown into the hearts of all who knew her. Her memory is a beacon forever guiding us through our lives. She was truly happy, and singing and dancing until the end.

She was preceded in death by her husband, Rexter (Rex) Jearles Griffin and son Marvin Boyd Griffin. She leaves behind 4 children: Loretta A. Kleve, Geraldine Hughey, Rex Griffin, Jim Griffin and their respective families. Survivors also include 11 grandchildren, 12 great grandchildren and a loving sister, Annette Greco of Bay Shore, New York. Through your tender guidance,

we learned the true meaning of unconditional love. You always put us first and set the high standards for which we strive. You were never too tired to help us in times of need. Your strength and sweet spirit will live with us forever. You gave us so much and expected so little in return Words cannot express our loss.

A Mass and Rosary will be held at St. Joseph's Catholic Church in Tontitown. Interment will be in East Lawn Cemetery in Marshall, Arkansas on February, 26, 2008.

“ *To Margie's family,*

I want you all to know what a joy Margie was in my life. For the past 4 years, Margie and I visited by phone twice a week through the Touching Home program with Faith in Action. I always looked forward to visiting with her, and I was always amazed by her happy and peaceful spirit. "I feel so good I feel like dancing!" she'd say. It was obvious in our conversations how dearly she loved her family and how her strong faith in God guided and kept her. I will dearly miss our chats, her love of car racing and "those pretty white cars", how much she loved the Christmas lights Geri hung every year, and her "God bless you's" at the end of each and every phone call. Thank you for sharing her with me. I was truly blessed to know her and am a better person for it. Now the Angels in Heaven will enjoy her for eternity.

*Warmly,
Juli Dorrrough*
