“ *Dear Brenda - and all of Marian's family, please accept my sincere sympathy at the passing of your Mom. May you find peace and comfort in your memories. I am grateful for the time we had to visit last month. Marian seemed happy and pain free, and enjoyed the pizza and lemon cake and the stories spanning 30 years! She had a beautiful smile.*

*God bless you.*

“ Mena was named by me when I was little and she was always Mena to most of us. She and I were the silly ones in the family, we would do silly things and Joyce would shake her head at us. We would tease Joyce for being so serious all the time. I made sure she got to make her last trips to play Bingo which she loved to do and we had a good time. I hope now she is laughing and having a good time with Joyce and my mom & dad, trying to beat PapaJoe at Uno ! Love you Mena and will miss you a lot !

“ I remember your mom from our younger days. She was always so kind and funny. The Lord has opened up His loving arms and welcomed her home. One thing is for sure she loved her family and friends, plus lived life to the fullest right up till the end.

*I know the sadness you are feeling seems like it is forever, but with faith of seeing her again rejoice and celebrate the life she had, the love she gave and the kindness she showed to all who knew her. There will come a day that you will see her beautiful face again.... Celebrate your family and wipes each others tears.... know that you WILL see her again..... “ *The Presley's moved in next to our family when Tina and I were 15...our families have been intertwined ever since. We have seen a lot and all had some great times. Marian will be greatly missed...we sure had fun at girls night at The Greens and at her and Brenda's apartment...but the very best memory I have is the dance on the pier in Florida. She was so happy and carefree there. Gone too soon but no more pain and we will see her again. Thank you so much Marian for giving my Daddy a hug for me when you got there!*
