“ *Dana and family, I've been thinking about Marilyn for the past month or so...usually got an email from her every couple of weeks. I sent an email a few weeks ago and when I got no response, figured something was wrong, so started looking. This was the only way I could find to get in touch, so figured I'd try. I'm so sorry about the loss of your Mom. We had been friends for 60 years or so...though we didn't see each other much anymore, we kept in touch through email and could always pick up right where we left off. That kind of friend is hard to come by in this world. I will really miss her. Judy Guy*
