“ I'm so sorry to hear about Marilyn!! I thought of her often. I had tried to find out where she lived for a good while. I found out this week that up until a few months ago, she lived two or three blocks from me! I would love to have been able to visit with her!!
We were such good friends in school.
Anna, remember when we use to all run around together?
Brian, I remember when she was carrying you. She was so excited to be having a baby boy!
I pray the Lord gives you and your families strength and peace during this difficult time.
