“ Dear Jan,

*Sorry for your lose of Mark. I remember you and Mark coming in the Craft World/Tandy Leather store on college often to purchase products. You were so attentive to Mark and I know you loved him dearly to spend a lot of time with him doing the fun things in life. I now work next door at the Radio Shack and when you feel better come by for a visit. I know it is hard to lose someone close to your heart, but always remember the things he accomplished and all the peoples hearts he touched while he was here.*

*Best Always,
