“ *Mark was a very special man to me. He taught me hard work and how to not spend money foolishly even though I still do. He helped build my twin and I our first play house. He always called me kiddo and was so proud of me for getting his money worth out of a buffet. He was a great guy with a big heart. Uncle mark I loved you my whole life sorry I didn't tell you until the last hour. I will miss him forever*
