“ *My Sissy. It's been a year and every day i want to call you or have coffee to talk. I miss you but I know you are watching over me, because so many things have happened to me, lessons, events,that i know you had a hand in orchestrating. Still would prefer you were here with us.*

*I love you, enjoy partying with the angels and those 3 men we know are pals ; Ron, my dad, and Luther.*

“ Luke and Clay I am grieving for you both. The days of your mother getting on John Wesley’s butt when y’all were young still brings a smile to my face. From the bottom of my heart please know how special your whole family is to us. I will be praying for each of you as I know life goes on for everyone else but family/loved ones life is never the same again. Just know that this is the beginning of the next chapter in your book of life. I love all of you and will be praying for God’s grace to comfort you especially now but in the future as well. All our love, Sharron, John and Cody

“ Miss you so much Sissy. This morning my phone didn't ring the mambo ring. You didn't call to ask if i was coming up for coffee. Who am i gonna argue with or have motorized shopping cart races with at walmart? Who am i gonna let tell me what to do? How am i gonna see dr pierre and kyra without turning into a blubbering mess? Most of all, who am i gonna sit and reminisce about luther, ron, bobbie, and the good old chat days with? Yep Sissy, this post is about me because you were such a big part of my life. Don't make me wait too long my dear friend and sister by cosmic intent. Love you honey and give Luther, Ron, and my dad tight, long hugs for me.
