“ *What a precious lady Marty was! She was certainly a mentor to me and I loved her dearly. We had fun riding to church together at Turner Street a few years ago, she always had a great attitude, even with all her health problems. I was blessed to have her for a friend.*

“ *Please accept our deepest sympathy and condolences in your loss. It stings now but knowing she's in the place she'd planned for and with her Lord helps soothe the grief. She raised a great family and will be missed by them all. Keep her in your hearts and minds and smile when she crosses your thoughts. She's at peace now, and comfortable again.*
