“ *Renie was my big sister and tried really hard to keep our family together. We had a great time at the last family reunion in miami Oklahoma. Laughing and just enjoying seeing each other. My favorite memory is when renie was living in Oklahoma city, and was attending a dance. She was so beautiful and we laughed at the song hungry like the wolf. Renies passion for geneology always kept her busy. I will miss you, and I love you my sister. You are forever in my heart.
