“ Martha,

You were such a wonderful friend to many of the staff and students at Springdale High School. I enjoyed our many years of working together to help the children in the district.

“ Dear Sweet Martha ...I will miss her sweet gentle face here at the clinic. I so enjoyed visiting with her when she came in for MD visits, lab draws, scans and treatment times. What a wonderful example of a chrsitan woman!! I know that she is enjoying her pain free new body now and spending wonderful time with her Lord!!! I will see her again one day but I pray now for comfort and peace of mind to her family that she has left behind.
