“ *Martha was such a pleasant and caring person. It's difficult to see her house there without thinking about her working in her garden or resting on the bench visiting with a neighbor. You will be missed ;-(*

“ *I have lived next door for 9 years to Martha. Couldnt ask for a better neighbor than Martha. She shared her flower plants and peppers and tomatoes. I will miss seeing her out with her straw hat and tool working early in the mornings anytime the weather permitted. She was a kind, friendly and loving neighbor. I just visited a few days ago with her where she shared much of her crochet yarn. I will miss her greatly May you rest in peace, Martha.. Mary Catherine Neil*

“ Claudia and I moved behind Martha in 2000. We enjoyed visiting with Martha and having coffee and working in our yards. Many of the plants at 6941 Coyote Crossing came from Martha's yard as she always provided us with her excess flowers etc. We enjoyed her son Jim who was always so kind and helpful to his Mother and Alice has done same for Martha since Jim's passing. I have visited with Martha many times since moving from Coyote Crossing after Claudia died in 2009. I had a good visit with her just a few weeks ago. You could not have asked for a better neighbor and friend. I will miss her.

“ We lived near Martha, just 2 doors away, in Har-Ber Meadows for almost 15 years. She built and moved into her home shortly after we built ours. Martha was a lovely, kind, soft-spoken neighbor, always ready to offer help, and she loved to visit. Our fondest memories are of chatting with her in her yard, and she was always tending to her beautiful gardens. We shared a love for her very independent cat, "Tiddly", and our yard was an extension of his roaming territory! And we were very grateful for her prayers. She reminded us often that she prayed for Gene, after his accident, every day. We will miss Martha; her kindness and stability. She was a wonderful neighbor.
