“ *Martin had a big heart and a big smile. What a dear young man he was. Martin ALWAYS stopped by to say good night before he left the office. He will be missed by so many including me. Good night, Dear Martin, rest well. Casey Sams*

“ *I heard all the heart felt comments about Martin. I pondered my own feelings. Martin was kind, funny, thoughtful, loving. The general surgery clinic is all a family. We love each other, and hurt for each other. This has been tough week and a huge hole in our hearts. Every time I left the clinic, I'd go around hugging everyone. Martin would be the last one I'd get to. He always said I was saving the best for last. I'd give him a big hug and see his big smile and tell him I'd see him soon. I knew him briefly, but loved him immediately. He was family. Ill miss his hugs and smiles. I feel honored to know Martin and will miss him very much.*

“ *Martin,*

*You were by far my favorite trainee at Cox Cable and an absolute joy to work with day in and day out. You truly did never meet a stranger, and your smile was infectious for sure!! I love ya man and I will see you one day on the other side!*
