“*Marvin, I can not Express how much you meant to me. You were like a grandpa I never had, a buddy and a friend I will always keep in my heart until we meet again. Marvin knowing you made me become a better person, by your caring and loving heart, you were a giver not a taker. Thank you! for being so good to me. Your love was from God and you had a light that shined so bright. I will miss you Marvin. I will always do my best to take care of your wife Jimmie just as I told you I would, until she meets you in heaven. Your not hurting anymore and now your rejoicing at last. I will remember all the good times we shared. I love you Marvin, You always said I was God sent, now you are an angel sent from heaven, watch over all of us that loved you. Love, Kelly*
