“ *Mary was such a wonderful lady. Remember walking the trail with her with my friend christy mcquire, granddaughter and brenda bennett, daughter, pushing her in the wheel chair. It was such a nice day, I really think she loved it. She will be terribly missed by so many. I pray god will heal your hearts and continue to remind you of the wonderful meomories.*

“ *My grandma was the most loved, most sweet caring person I've ever known. If everyone could love as much as she did the world would be a great place. Thank you grandma for picking blackberries with me, our walks down the country rds and all the special moments we shared. You are forever loved and I will carry you with me always*
