“ *Carrie and family. We are so sorry we just read about Beth's passing. We loved her so much and had such fun times with her. Many people appreciated all the volunteer time she devoted to the rodeo, riding club and stock horse and many other groups. She will be remembered fondly. Our sympathy, Darrell and Lynn*

“ We are friends that are family. Thanks to Cotton and Beth I had a home to go to any time I was too lonesome in college. Beth taught me to ride English and although she didn't compete much running barrels herself, she was a dandy hand to train one. We have logged many wagon miles together. We made Christmas candy with Shirley Treat when Carri Lu and Aaron were in bouncy seats hanging from the door frames. She had the most wonderful laugh and she was a happy person who used it often. Mom tells a wonderful story about Beth finding her first thing on the Cavalcade trail ride to tell her she was pregnant. Beth was so happy and she wanted to be sure she told Mom herself. We have a treasure trove of wonderful memories, Love you, Beth.
