“ *My son had Mrs. Hixson for his kindergarten teacher--the very first class she taught (in Siloam Springs). I volunteered at least once a week and got to know your mother well. She was such a kind and nurturing person--the entire class loved her and I never heard a parent speak ill of her. That was over three decades ago, but the love of learning she instilled in my son lived on. He continued his education through his PhD. We felt blessed that he was able to start his education with such a wonderful role model as his instructor. Please accept our condolences on your loss; she is and will always be missed. Thank you for allowing her to share her time to influence so many children.*

“ I am very sorry for your loss. Your mom was a good friend of my parents. Guyth & Ruth Rogers from Prairie View, AR. They built some cabins down in the Dublin area. Around 1967. They had a lot of parties and dances at the air port hanger that was build there. I can remember mom talking about all the fun they had. Prayers that the great memories will get you through this!!
