“*Mary Ann and I were in 1st Grade in the little country school house across the fields from her parents farm in Jefferson County, Kansas. Her little brother, Billy, and my little brother, David, were also the same ages and played together as time allowed. Our parents were friends and shared in the life of the communities where they farmed and where we went to school.*

*Mary Ann and I kept in touch through all these years. My husband and I visited Mary Ann when she and Raymond lived in a KC Suburb. Raymond had been called out to work on something, so we didn't get to visit with him. Nick got down on the floor and let the two little boys ride on his back to let Mary An and I have a few minutes to visit. It was the only time Mary Ann and I visited at her home. Life and assignments kept us in other parts of the country. But we still kept in touch by phone or a letter or note through the years. The last time she and I visited by phone was maybe March of 2021. Mary Ann poured out her heart. Many, many, thoughts, memories, and people who we had known from the past 75 years.*

*Thank God for our friendship through these years. Blessings and the Lord's peace to each of her family and friends who will attend her burial service on Tuesday.*

“*John, With deepest sympathies to you and your family. I was very sad to learn of Mary Ann's passing. We are so blessed to have seen her last year for her 80th birthday. We did a lot reminising then. She is now with Raymond and Jeff and hope that brings comfort to you and your family. Will keep you in thoughts and prayers.*

“ Mary Ann was a hair client of mine. She was one of my favorite clients. She was so easy to please and I loved her stories. I know she loved her family and friends (and purses)! We shared a lot of lakehouse stories. I will miss seeing her.

“ I consider myself a 'new friend' considering how long others at Fellowship and Springdale Community Group have known Mary Ann. When I saw her at church, she loved to comment on Facebook posts by Scott and mainly mine. 😂 It's how we kept in touch. Blessed to know her. Prayers for all the family to know where she is and that we will see her soon. 🙏🙏🙏

“ *We were former neighbors of Mary Ann for eight years in Springdale. She was such a delight to have as a neighbor and we are so sorry for your loss. She really loved her family which included little Charlie. She would tell us stories about her family, especially what the grandchildren were doing. Our thoughts and prayers are with your family. “*Mary Ann was a precious joyful ray of sunshine every time we saw her! She was so easy to love and always had gentle sweetness about her. Her love for her children and grandchildren was obvious and contagious, as well as her love for Jesus and His children. She is younger and more vibrant now in God's presence and we are comforted that we never really have to say "good-by" to her...just, "We miss you but we will see you soon."*

*Love to all her precious family, especially John and Kim. <3
