“ *I met Deanie one time and she was such a sweet person that I will never forget the hospitality she showed me and my mom. Though distant cousins, she treated us as if we were one of her own children. We will miss her greatly!*

“ *Ms. Deanie was always friendly and sweet. She was at church when able. She was a great help in children's church. I will never forget the day my mom and I visited her after church at the hospital. She was in my mom's Sunday School class and had passed out during class. She was supposed to have helped me and another lady in children's church that day. She kept apologizing to me that she was not able to be there and help with the kids. What dedication!*
