“ Of course the first thing and the most important is the peace you have now. But to us left here is the memory of that sweet smile you greeted everyone with even when things weren't good with you. But you always brought a smile to me when I saw you. Looked forward to seeing you everyday at work. I have thought about you often over the last few years. Good buy my friend hope to see you one day again.

*Teresa your mother was a treasure, be thankful for the years you had with her and how she loved you.*

“ I know Mary Jo will be missed, but Heaven has a new Angel and that precious smile is shining ever so brightly as she walks with the Lord and Wylie. I pray God is comforting you Teresa Jo and I know Mary would not want you to be sad. Just remember that you all are in our prayers and thoughts.

“ Mary Jo was one of the first to greet us when we started attending First Christian Church of Springdale. Her smile was beautiful and she was so sweet. You've been a wonderful daughter and given her the best care possible. I know she's sitting with our Lord and bragging on what a beautiful and caring daughter he gave to her! You will miss her terribly but may your heart be at peace knowing how much she loves you too and one day you'll see each other again. Love you bunches Teresa!

“ Teresa, I couldn't have made it when we moved to Springdale in 1968 if it hadn't been for you and your family. God moved us right next door to you all. What a sweet friend she was to me and even after we moved. I hadn't seen her in awhile but when I did she was smiling and that's just what she is doing today. You have been a wonderful daughter and caregiver to her. May God bless you and all Mary's family at this time and the days ahead. Love you sweet friend, Cheyrl Lyall.

“ Unfortunately, most of my memories of Mary are from several years ago (I'm the world's worst at keeping in touch with people), but I've known her since I was born 40 years ago & I don't recall her EVER, not even once, saying anything negative about anybody, & I really can't recall ever seeing her face when it wasn't bearing that trademark smile. God Bless you & your family, Teresa, & our thoughts & prayers are with you at this time...Mary's passing is the world's loss, but Heaven's (& Wylie's!) gain. Love, Mark J.

“ Teresa, I'm so sorry to hear of your mom's passing. I know how close you were to her and you will miss her dearly. Take comfort knowing she isn't suffering anymore and she's reunited with your daddy. You and your family are in my thought and prayers!
