“ Mrs. Prasee was my 3rd and 3th grade teacher at Hindsvile. She had a genuine care for her students I have kept in contact with her through out the years. When ever I would see her in town whether it be in the store or a restaurant would have a long visit and update each other on what was going on in our lives. I will miss those meetings and visits. I will keep the family in my thoughts and prayers during this most difficult time.
