“ *To the family of Juanita*

We were so sorry to read about your Mother's death. We sure thought a lot of her & your Dad.

We traveled with them on many insurance trips and enjoyed being with them.

They were so much fun and kept us laughing. They really loved their children & grandchildren and spoke of them often. Our thoughts and prayers are with all of you.

“ *To the Reed Family, My deepest sympathy on the loss of your mother & praying that your faith will give you strength. It will be the little things that you remember, the quiet moments, the smiles, the laughter. And although it may seem hard right now, it will be the memories of these little things that help to push away the pain and bring smiles back again.*

“ My heart hurts for the loss of my friend, and your dear Mother.

“ To Lou and all the family,

I am a better person for having known your mother. As a new nurse at Springdale Hospital, I was terrified of your mom, and came to respect her skill and intuitive sense of knowing when something wasn't quite right. I learned when the twinkle in her eye was a sign of encouragement and that when she laughed, life was good.

Know our prayers are with you all this week as you celebrate her life and her sense of peace.
