

## Mary Renneker

April 5, 2011

Karen Brock Renneker, 59, of Springdale died April 5, 2011 at Northwest Medical Center in Springdale. She was born November 10, 1951 in Pittsburg, Kansas to Ken and Kathleen M. Kierl Brock.

She was a loving mother, wife, daughter, sister, and aunt, as well as a selfless caregiver and generous soul; a true angel of mercy. Karen was working as a LPN at Northwest Family Care Eastside in Springdale and had previously worked for Sisco Clinic in Springdale. She was a member of St. Raphael's Catholic Church in Springdale. She volunteered in the Springdale School System and was a member of the Bayyari Elementary PTA and the Helen Tyson Middle School PTO. She also enjoyed arts and crafts, working in the yard, watching any sport played by the Razorbacks, and being with her family. She loved her daughters more than life itself and will be missed more than words can say.

She was preceded in death by her mother, Kathleen Brock, and two brothers, Kenneth Brock, Jr. and Joe Brock.

Survivors include her husband, Michael Renneker of the home; three daughters, Amy Katherine Renneker Johnson and husband Shawn of Springdale, Ashley Michelle Renneker and Tori Allison Renneker both of

“ *Renneker Family,*

*Amy, you and I went to school together but didn't know each other very well; however I knew and loved your mother. When I was born, she was always my nurse at the doctor's office I went to. When she would move with Carolyn, we followed.*

*I will never forget your mother. Here is a funny story about her. I believe I was about 3 years old. Your mother worked at the Sisco clinic with Dr. Sisco. I was very sick as a baby up until I was ten years old. I had bad kidneys. Anyway, I was sick and my mom took me to the doctor. I can't remember what they were going to do, but I over-heard Dr. Sisco, Carolyn, and Karen talking about the procedure I had to have in the clinic...it was something with a catheter. I didn't know exactly what that was, but I knew it hurt from having one prior. And I knew they were about to stick me back in the hospital. I got scared and took off running down the hall! Keep in mind I was a small child. Your mother took after me and grabbed me up in her arms and brought me back down the hall where I was supposed to be. I don't remember much else about that day, but your mother was there with my mother keeping me calm.*

*Everytime I would go to the doctor, no matter how busy your mother was, she always took my file so she could be my nurse. She always called me "Punkin". She was so sweet and I loved her! I will never forget her! She always held a place in my heart, and always will. She was loved by many people and still is. My heart goes out to you and your family!*
