“ *"Mama" Frances was a stabilizing force in my life and gave me the positive side of difficult times! A neighbor and friend for 10 years and kept me and my family grounded in faith and spirit in all my life experiences! She touched our family in ways that made us who we are and will forever remain in our life and heart, though her physical presence missed, her heart, spirit and love remain forever a part of each of us! Love you Grandma Ross and we'll continue to love your family always*
