“ *I worked with Lillian for many years at Belden/Volex. She was a good friend and we had a lot of good and fun times at Choctaw V.F.W. She was always there when my husband played there. I tried to find her after I left Clinton but I didn't and am sorry I couldn't. My sympathies and prayers go out to her family. I really liked her.*

I used to work with Lillian many years ago. She was a very sweet person and a hard worker liked by all she worked with. So sorry for your loss.
