“ *Mary was a sweet and kind soul. I got to know Mary at Curves. Many days I saw the pain on her face and I know she didn't feel good but she always had that sweet smile. What a joy it was to have known her and her wonderful sister Jesse! I pray for peace for Mary and her family and pray for the strength of her family during this time of grief and the days ahead.*

“*Mary was a delight to know. I got to know both her and her sister, Jesse, through their membership's at Curves. Mary believed in staying strong through exercise. The amazing thing was that she continued to come to exercise during most of her treatment. She believed that it was keeping her strong so that she could tolerate the treatments! I feel blessed to have known her. To her family, I pray that God gives you the strength and peace through this time of sorrow. Mary is in a better place now!*”
