*I'll always be grateful that Matt came into my niece Emily's life and brought great love and joy to her, Caleb and Abby. I so regret that their time together as a family was entirely too short. I feel lucky to have gotten to know him and welcome him as family. He was a great guy, and Corey and I are very sad that he's no longer with us. We send our love and prayers to Emily, all four children and everyone who called him a friend.*
