“ *we was very sorry to hear about Maxine Hill. I did not know her well,as Hayes and Maxine were very good friends of my dad and mom. Henry and Nona Curtsinger, but I remember them well, esp Hayes. I went hunting with Hayes and Dad and learned to tell which hound was barking when I was a young teenager. Sweet memorys....*

“ *I'm going to miss your mom. She was so much fun. I really got to know her when all the "young mature ones" used to cut out things for the kids at the church after bible study. Those were some of the funniest older people I have enjoyed knowing. A several months ago, I took her out for lunch. We went to KFC for chicken. It was great seeing her with a smile on her face as she was enjoying her chicken. For awhile, she forgot about her pains. It's hard to let her go, but she has no more pain.*

“ Barry and Bob: Our prayers are with you during this time. Our families had many great years of fun together. Just about 7 weeks ago my Mom, Thelma Harris, was thrilled when she got to visit with Maxine. Little did they know that they would be together in heaven soon---Mother passed away on November 12. I will always remember as young kiddos coming to your house to pick the wild blackberries along the road with Barry and Janet. Janet and I remained friends through our short time in Norfolk, Virginia together. Please give our love to Gary as well! We were also "up the street neighbors" to Bob and Lynne while we were both on San Jose Drive. Both Maxine and my Mom will be remembered for their love for the Lord, their families, their friends and their contagious smiles. Much love during this difficult time.

“ Dear David and Bob, I am so sorry to hear about your mom. I will be telling the rest of the family as soon as I get home from work tonight. Please know that my thoughts and prayers are with all of you during this time. Your mom was a wonderful woman and it was a joy for me to know her as briefly as I did over the years. Our lives have passed in and out in so many ways over the years. I think of all of you often. I wish I was in Arkansas at this time to visit personally, but I now reside in Nevada but I still check the paper daily. Again my prayers and thoughts are with all of your during this time. Love always, Jill Forrester Sharpe
