“ *Melvin and Marleen Howard are two of the most genuine people I had the privilege of knowing during my years with Springdale Schools. Melvin was there to save me from my mistakes, more times than I could ever count. He was a fine, reliable, dependable,ALL the good things you could say about a man, kind of guy. Knowing the medical issues he has faced these last several years have been so sad, at last he is at peace. Marleen, your are one of the finest women I know. Watching your love and dedication to your family over the years is such a blessing. You are an excellent example how the Lord would like us all to be. I admire you more than you will ever realize. I pray that in the days ahead that you also can have a peace in knowing that you were a beautiful caregiver from start to finish. You have always been that way.*

I wanted so bad to be there yesterday and today but I'm not feeling well and am headed to the Dr. Please know that my thoughts and prayers are with you everyday.

Love to you and the Kids, Linda Johnson Litterell

“ I worked with Melvin from 1979 at Scott Nonwovens on through the Fibertech/Polymer Group years, even through the short stint as Strateline. I was privileged to have spent a week in Washington D.C. as Melvin's room mate in 1986. Along with co-worker Harry Crowthers, we experienced a week of friendship that will never fade.
