“ *Mike could be cantankerous at times but he was always Mike. I had the honor of working with Mike for the last 10 years. More than that though I had the honor of calling Mike my friend. He was a great friend and he will be missed. My prayers go to his family and friends.*

“ *Dad, what an honor to have had you as my father. Your passing has changed me, and being with you these past two weeks and with you when you departed this world, I'll treasure it always. I'll never say again off just faith God has a plan for all of us. I've experienced it. You taught us even in your last breath. Not many people are ushered into the heaven with a church choir singing, Amazing Grace. I promise you I'll be a better daughter, mother, sister, and wife because of this experience. I'll Love you ALWAYS! Tracy*
