“ *Carol, I just returned to town this a.m. and found out about Mike. I can't believe he is gone -- my thoughts and prayers are with you and the girls. I loved Mike -- and even though we hadn't been in touch these last five years -- he was a good, good friend and co-worker. I wished I had known earlier so that I could have been at his funeral and said goodbye and give you a hug. My heart hurts for you and the girls.*

“ *It had been years since I had seen Mike, I am sorry to hear about his suffering & death. Mike was always smiling & full of laughter. My thoughts are with Rachel & his family in the days to come.*

“ *Our thoughts & prayers are with all of you in the loss of Michael. None of us know the suffering until we go through the loss. May God give you strength and faith in the days ahead. And remember the happy times that you spent with him. You will be in our prayers. If we can help in any way, please let us know. Just know that you have lots of friends that love and care about you. With love & friendship. Your friends, George & Rosa Lea*

“ *Carol, Tami and Mikayla,
We just want to let you know how sorry we are about Mike's death. We are praying that you will remember the good times you had with him rather than this last few months. We didn't know Mike too well living so far apart but know this is a hard time for you. With our love,
Roger and Beth*
