Antone and his family were my neighbors back when he was five years old. He would visit with me from time to time. By this time in his imaginative little mind , he had experienced many great adventures. I heard all his stories in great detail. He had killed several bears and barely escaped with his life. I loved him then and I love him now. I miss my dear friend.

Antone was not only a cousin, but a friend. He grew up in Indian Bayou, my Dad's youngest son's son. He was a great caring person, with his own opinion, he was definitely strong willed to say the least. We were not only cousins, but definitely friends! Certainly to young for this outcome! He will always be missed and live in our hearts and memories! Toni will always be a part of my family, and in my prayers, thank you for your help and support for our family and your husband,!we love you sweetheart. Please remember we are family, reach out frequently, you are welcome in my home anytime!!!
