“ Donna,
We are so sorry for your loss. Everything that happened in Mike's life if it was good or bad, the way he told the story of the event made everyone laugh, not just a little laugh we would be rolling in laughter and although you were there and had heard the stories many times, you were laughing too.
We will miss him.
We love you Donna,
Nancy and Don Glover

“ Donna, Just heard of the loss of Mike, we are so sorry. You two basically raised Curt and Angie. You gave them wonderful memories that we all keep close to our hearts. Miles and time might not have kept us in touch, but you both made a impact on us all. Curt is working at a ski resort in Avon, Co. and Angie is a 1st grade teacher in Little Rock.
Love and prayers.

“ Donna- I am very sorry to hear about the loss of your best friend. Mike was a special person and I am so lucky to have many memories of the two of you. I remember pulling on my boots and running as fast as I could down the hill, swing open the screen door and I was ready to follow you and mike all over the farm. From the chicken houses to watching in ahhh as mike sifined out the gas for the tractor to climbing on a horse to count cows to taking a break and having an ice cream from the deep freeze, all these wonderful memories will always be with me. The two of you were so good to curt and I. You are such a strong person and just remember, if God brings you to it He will bring you through it! You are in my thoughts Donna! With much love, Angie
