“ I will always remember how much he cared when he didn't have to. When he himself was in need, he would still go out of his way for those he loved. He was incredibly funny. We laughed so hard. One of the truest friends. He was genuine and always in my heart.

“ Dave always had a great sense of humor and the best sarcasm ever!!We didn't always see eye to eye but he was a good guy regardless. From the time Kailey was born she was his world. Talking to him these last months he was looking forward to being a part of our grand-daughters life.He truly meant alot to many people. His kindness , laugh and sarcasm will always have a spot in my memories for sure. Fly free Dave
