“ *I am so sorry for the loss of Aunt Mildred. I have so many childhood memories of her along with my Uncle Dobe & other Aunts and Uncles that would come and visit us in California. I will always hold those memories dear to my heart as I hope all of you hold yours to help during this difficult time. I know that she will be missed by all that knew her. All my thoughts and prayers are with you at this time. All my love, Terri-Lynn*

“ Aunt Mildred was a blessing to all of the Martins and she will be deeply missed. I remember when she married my Uncle Dobe in 1973. I enjoyed spending a month with them when I graduated from a California high school in 1975 and it was one of the best trips of my life. We have seen each other many times since then and have exchanged letters all of these years. I truly will miss her and have been blessed by knowing her. She was very proud of her son, Ruford; daughter-in-law Kyra; and grandson, Edward and his sweet wife. She wrote about you often and enjoyed spending time with you. I know that her heart was in the right place and that she lived to serve our Lord and Savior all of her years on this earth. I had hoped to come to the services, but am not going to be able to make it up from Dallas. Please know that my thoughts, prayers and heartfelt sympathy are with you all at this time and please let Uncle Dobe know that we are thinking of him too. I know he is going to miss her terribly.

With deepest sympathy, Sabrina and Mike Zadow

“ *My prayers and thoughts are with the family and friends of Aunt Mildred. I will always cherish the times I have spent with Aunt Mildred. I remember the first time I met her: my dad and I took a trip to Arkansas around 1973. She completely spoiled me with home made pies and great food. Her and Uncle Dobe would visit us in California and I just loved spending time with them, driving them all around the L. A. freeways (pretending that I knew my way around). When we travelled there for our fathers funeral she had a meal ready for us upon arrival. She and her church set up a great meal for everyone after the funeral services. Her Christian faith and strong convictions always had a profound and strong influence on me. I love her dearly and I know our Lord has a special place ready for her.*
