“ Mrs. Brown was my 2nd grade teacher at Jones in 1973-74. She was a wonderful teacher - sweet to everyone and we learned a lot. I am still friends with a lot of the kids in that class all these years later. That says a lot of a teacher and the school. I don't remember many of my Junior High School or High School teachers specifically. But, the teachers I had at Jones elementary, Mrs. Brown being the main one, I remember well. every week we voted on a classmate for the "Super Citizen of the Week" and got a paper ribbon to wear. Those were highly coveted ribbons and I bet a lot of us still have ours. I know I do! Mrs. Brown - you will be missed. Thanks for everything.
